Pengerusi Jawatankuasa
Pemeriksaan Tesis
(Chairman of Thesis
Examination Committee)

Report;

The candidate has presented his research to the Thesis Examination Committee which has inquired him on details concerning the technique, format, style, language and literature review. A number of corrections are suggested to improvise the thesis presentation and give a more accurate explanation especially in the aspect of the scientific facts. The committee also has reviewed and discussed the examination report that has been sent. The

candidate has been informed about the improvisations that should be made. Among them are as below:

1	<p>Tajuk Tesis (Thesis Title)</p> <p><i>Please comment on the suitability of the suggested thesis title whether the title reflect the actual content, if necessary suggest alternative title</i></p>
2	<p>Permasalahan kajian (Research problems)</p>
3	<p>Skop dan Kesesuaian (Scope and Relevance)</p>
4	<p>Sorotan Literatur (Literature Review)</p>
5	<p>Perkaedahan [Bahan dan kaedah] (Methodology [Material and methods])</p> <p><i>Consideration should be given to the technique of research adopted and the extent of work involved in terms of field work, laboratory work, interviews, library research, etc, and the evidence of the amount of data collected. Due consideration should be given to the difficult nature of a subject, the availability and accessibility of relevant information and statistical data in the assessment.</i></p>
6	<p>Analisis dan Tafsiran (Analysis and interpretation)</p> <p><i>The original contribution of the candidates should be evident in the chapters devoted to analysis and conclusions drawn from the research work. Credit should be given to a candidate who shows intelligent application of appropriate principles and practices relevant to the problem under study. Credit should also be given to candidate's ability to analyse critically the data collected and to his ability to write a coherent and descriptive dissertation from the data and materials collected.</i></p>
7	<p>Penyampaian (Presentation)</p> <p><i>Consideration should be given to the organization of the dissertation/thesis including the format presentation of tables, diagrams, charts, footnotes, bibliography and appendices. Style is also relevant as well as accuracy and care especially proof reading of the final copies.</i></p>
8	<p>Pencapaian dan/atau kebaikan (Accomplishment and/or merits)</p> <p><i>The general significance of the subject and the extent to which the objectives of research have been achieved are to be considered in assessment under this heading.</i></p>

9	Kelemahan (Demerits)
10	Cadangan (Recommendation) <i>The examiner should indicate his recommendations, i.e. whether he is satisfied that a sufficient standard has been reached for the higher degree to be awarded to the candidate or if he is not satisfied, whether the candidate should be failed or referred for further work after which the candidate may re-submit his work for examination, as below:</i>
	<p>Please tick (√) in space provided for the recommendation</p> <p>i) Terima dengan Pembetulan Minor <input data-bbox="1341 590 1458 646" type="checkbox"/> (Accepted with Minor Correction) <i>(The thesis contains errors in typographical, grammatical and Presentation. Minor improvements in the substance of the thesis may be required)</i> A candidate is given a maximum of six (6) months for the final bound thesis submission to the respective school/institute</p> <p>ii) Pembetulan Major (Major Correction) <i>(The thesis contains serious flaws such as inadequacy in theory, methodology, data analysis, and/or poor presentation. Major correction and revision are required)</i></p> <p>a) Tanpa Viva <input data-bbox="1341 1050 1458 1106" type="checkbox"/> (Without Viva voce)</p> <p>b) Viva <input data-bbox="1341 1150 1458 1207" type="checkbox"/> (With Viva voce) A Candidate is given a maximum of one (1) year for the final bound thesis submission to the respective school/institute</p> <p>iii) Gagal (Rejected) <input data-bbox="1341 1344 1458 1400" type="checkbox"/> <i>(The thesis does not meet the minimum requirement of a PhD/Master's degree)</i></p> <p>iv) Demerit <input data-bbox="1341 1516 1458 1572" type="checkbox"/> <i>(In the case of PhD thesis, if deemed suitable, the thesis may be recommended for re-submission as a Master's thesis)</i></p>
11	Award of the M.Sc./Ph.D. degree best thesis <i>The thesis must be awarded with 'Accepted with Minor Correction' to be recommended as best thesis</i>

12	Remarks on possibility of publication <i>Apart from the merits for assessment for Masters/Doctorate Degree, the examiner may add remarks regarding changes, amendments and corrections that would need to be made if all or part of the dissertation/thesis were to be published</i>
13	<hr/> <p>Signature/Official Stamp Chairman of Thesis Examination Committee</p> <p>Name:</p> <p>Date :</p>
