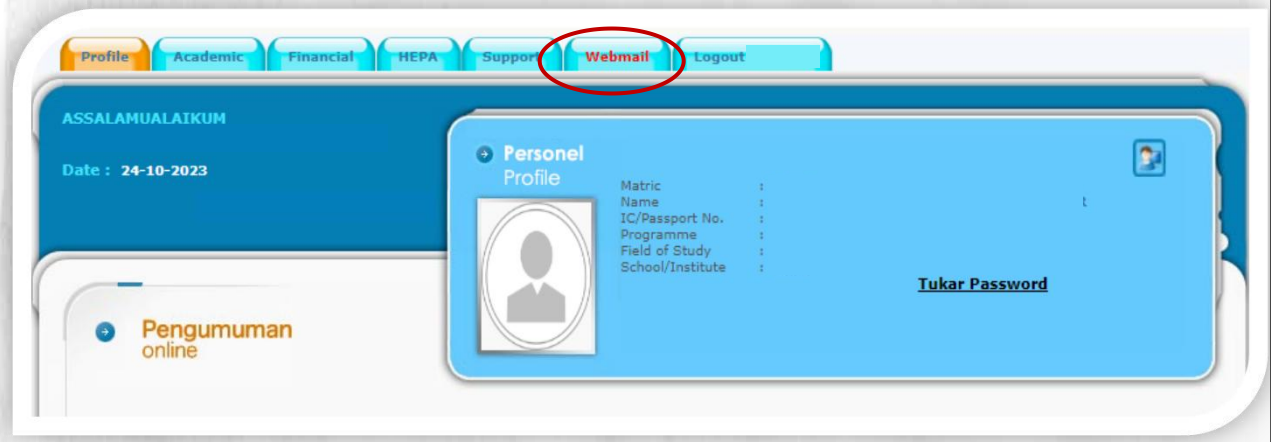
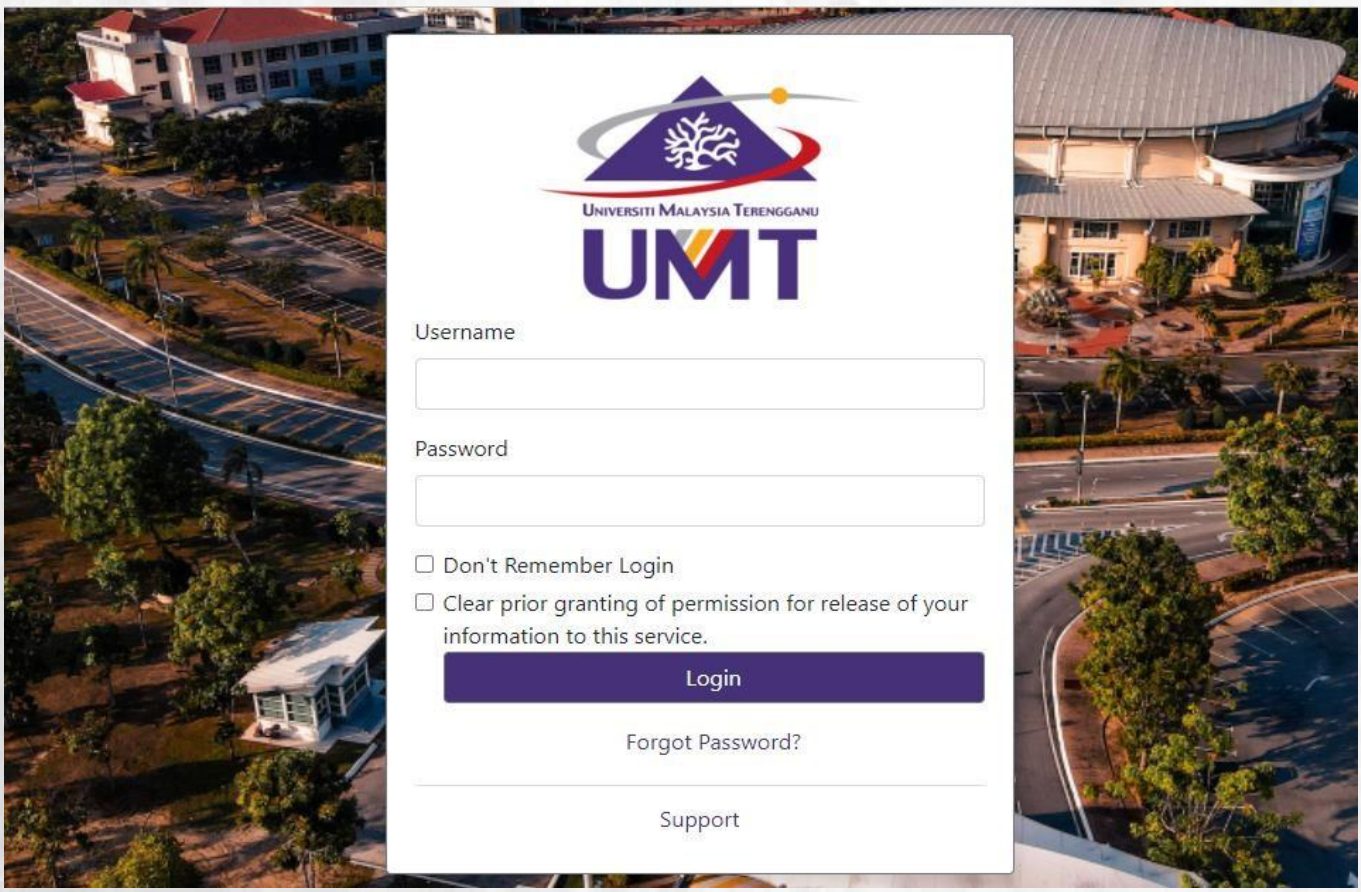
Webmail

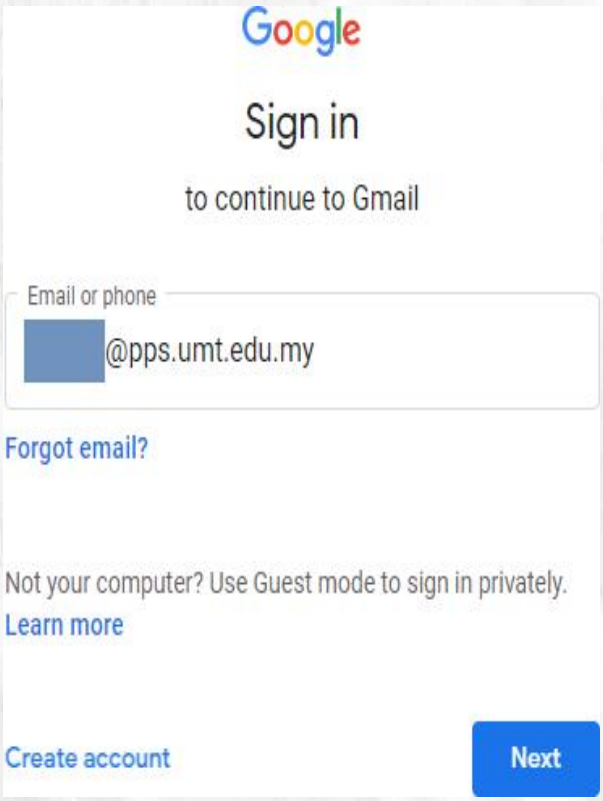
This is where you can check the student mail



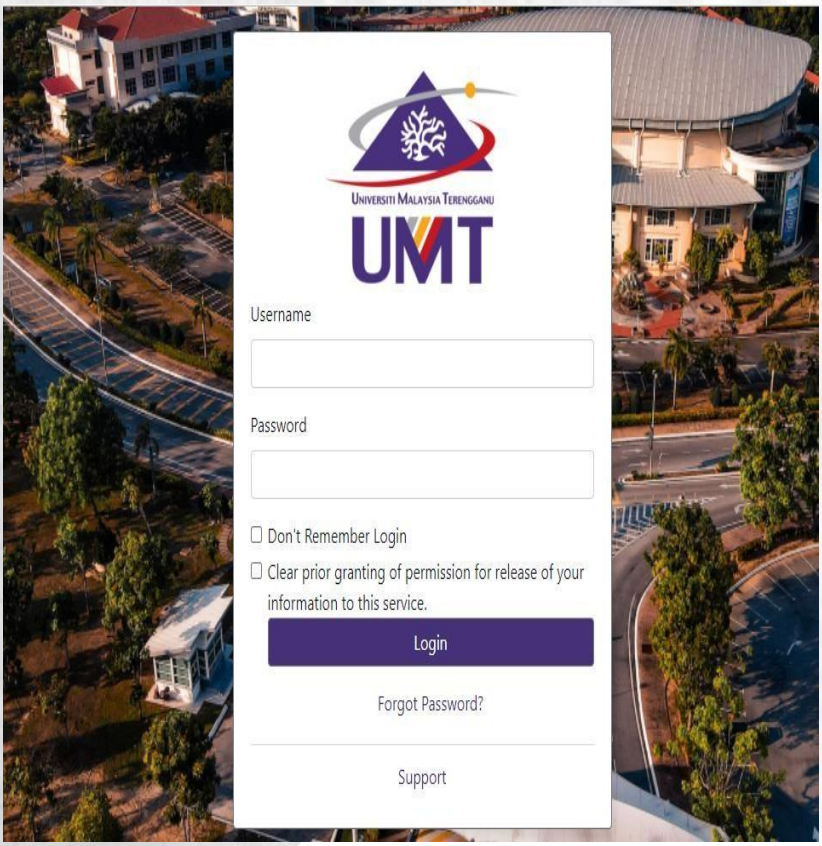


- There are two ways to check your email, either through webmail or through Gmail. Both ways lead to the following web displays.
- To log in to your email, please use the same login ID and password as Mynemo

Webmail
Checking your emails via Gmail



- To check your email through Gmail, type your email address (**Pxxxx@pps.umt.edu.my**) as the following display, then click next



- This web displays. Then log in to access your email. If you have problem in accessing your email, please contact Mr. Talib of Digital Ecosystem Centre through email at **talib@umt.edu.my** or general line at +609-6684490
